

# THE RUG SHOP UK X JR

## Care Instructions

Vacuum or sweep regularly. Clean spills immediately. Never rub a spill. Blot liquids with a dry absorbent white cloth or white paper towel. If a stain cannot be removed seek specialist advice. Do not machine wash. We recommend the use of an anti-slip pad to reduce trip hazards and protect the floor surface. Please use a suction only vacuum cleaner as a beater-bar vacuum cleaner could damage the pile.

## Key Points

- Shedding is a natural property of new rug.
- Do not brush or scrub the rug.
- Only vacuum clean it periodically. Avoid using vacuum beater brush mode.
- If spills occur, blot immediately. Do not rub the stain.
- Rotate occasionally to equalize wear.
- Use protectors under the legs of heavy furniture to avoid flattening and piling.
- If thread comes out do not pull the yarn, trim with scissor.
- Periodic professional cleaning recommended.
- Do not fold the rug.
- Avoid using the rug in damp or wet surface.
